## Invitation

Dear Members, dear Friends and Supporters,

On behalf of the Fédération Mondiale du Cirque under the honorary presidency of H.S.H. Princess Stephanie of Monaco we have the pleasure to invite you to take part in the usual business program of our organization in Monaco during the 47<sup>th</sup> International Circus Festival of Monte-Carlo, and the 12<sup>th</sup> New Generation Festival.

Both unique events will bring together again the best circus artists from around the world between the 17-26 January 2025.

The Federation adapted its business program accordingly by focusing on the timeframe between the 17-20 January 2025.

Our firm intention is to make your stay memorable and worthwhile. It will be another opportunity to meet old and new members, friends and colleagues to interact, exchange experience. It gives the possibility to coordinate projects, and work on future plans.

**All the events of the Federation take place at Hotel Marriott Port of Monaco.**

In 2025 we organize again our traditional Silent Market. It is an important contribution to help FMC with the donation of circus related items, and to make happy circus collectors. Please take care to provide the objects to the organizers before 11 am. of 17 January. There is always an option to send the objects directly to our office in Monaco:

Fédération Mondiale du Cirque/ Silent Market  
5 Avenue des Lignes  
98000 Monaco

The Market officially opens at 14 pm on 17 January.

The Federation General Assembly will follow right after, at 14:15 pm.

The same day in close collaboration with the European Circus Association we are looking forward to greet all of you at the traditional "Welcome Cocktail" at 17:30.
